

55" Floor Standing Display

YJcen's Floor Standing Display is an outstanding addition to any setting, boasting impressive features such as FHD/UHD, Plug and Play functionality, and optional Touchscreen and Network upgrade.

Highlights

Table-Like Styling

Their buttonless tempered glass face, rounded corners, steel enclosure with super slim profile and aluminium surround all add to their eye-catching tablet-like aesthetics.

178° Wide viewing angle

The extra wide 178° viewing angle is a perfect fit for shoppers, employees or visitors that will view outdoor IP66 display.

Optional Cloud Update

For a small charge you can also upgrade your screen to be networked, allowing you to remotely update your screen via LAN or WIFI. To find out more about our Digital Signage CMS

IPS Panels

Commercial grade IPS technology accurately displays image quality and colour depth with no fall-off in colour accuracy.

Plug & Play

Uploading images to the screen via a USB stick. Insert into the display, wait for your content to copy over and then remove. Your images and videos will now play in a continuous loop.

24/7 operation

Built using commercial grade LCD panel & LED Backlights, these displays can be in constant 24/7 use for over 50,000 hours.

Specifications
